Holiday Program – December 2023 / January 2024 - Currimundi

All participants must have adequate NDIS funding or be self-funded to access the Holiday Program.

It is a requirement to have a signed Service Agreement with a Schedule of Supports in place prior to support provision, confirming NDIS funding allocation for this service.

After the program has been provided, Inclusion Plus will invoice against the total support hours delivered, as well as invoice against any program/activity and transport fees.

It is the responsibility of the participant (or their representative) to ensure that sufficient funding is available in their NDIS Plan to cover support fees, program/activity fees, and transport fees. If these fees are not claimable through your NDIS Plan, or if there is insufficient funding, then the participant/their representative will be responsible.

Program/activity fees, transport fees, and other related fees may be applicable in addition to the figures on your Service Agreement.

Transport fees are indicative and may be subject to change.

Activities in the community are subject to weather conditions, and any centre-based support will incur additional fees.

Cancellations

As detailed in your service agreement, to avoid incurring any undelivered support charges adequate notice must be provided when cancelling support:

- Program/Activity Fees - 14 days' notice is required prior to the commencement of the program.
- Support Fees - 7 days' notice is required prior to the commencement of the program.
