

Program Information

The Inclusion Plus Holiday Program is back and we are ready to provide some fun and exciting activities to keep everyone entertained these holidays. Our friendly support staff will ensure that your child experiences all the program has to offer, while providing high quality care and support.

The Program is available to all school aged children and operates from 9am to 3pm on weekdays from:

**Monday 11th December 2023 to Friday 22nd December 2023
and Monday 8th January 2024 to Friday 19th January 2024**

Please talk to our friendly Coordination Team if you require transport or additional support throughout the holiday program.

We have limited spots available on the program, which will be offered in order of receipt of booking requests. In order to avoid disappointment, please complete and submit your booking form at your earliest opportunity. Should availability on your requested dates be exhausted, we will record your details on our waiting list and contact you immediately should a place become available. Once we have received your booking, we may require some additional paperwork to ensure we have all the current information to best support your child. If your child requires medication to be administered during support, please contact our coordination team to ensure we have current medication requirements in our records.

What to Bring

Please ensure your child brings a hat, any medication (please advise the coordinators if there are medication requirements), water bottle, enclosed footwear, comfortable clothing, GO Card, Companion Card, Annual Passes (if applicable) and a spare change of clothing for water play activities. **Please provide a packed lunch or pocket money for lunch for your child during the day, as lunch is not included in the program.**

Program Outcomes

- Reduce social isolation and develop new interests
- Develop friendships and increase informal support networks
